DIRECTORY LISTINGS

A. GENERAL

1. The rates and regulations specified herein for directory listings apply only to the alphabetical directory.
2. The alphabetical directory is a list of customers, joint users, and others entitled to use a customer's service under the regulations governing such use as specified in Section 2 of this tariff, arranged alphabetically by surname, business, association, institution or other non-residence name. (T)  
(T)
3. The alphabetical directory is designed for the purpose of informing calling parties of the telephone number of customers and others listed therein. Accordingly, listings are intended solely for purposes of identification and are limited to information which is essential to such identification.
  - a. Special prominence or arrangement of names is not permitted. The listing of a service, commodity or trade name is not permitted except when such service, commodity or trade name is a part of the name under which the listed party conducts his business.
  - b. The Telephone Company may refuse a listing which does not constitute a legally authorized or adopted name, or any listing which in its opinion is likely to mislead or to deceive calling parties as to the identity of the listed party, or is intended for advertising purposes or to secure a preferential position in the directory, or is more elaborate than is reasonably necessary to identify the listed party. The Telephone Company may, upon notification to the customer, discontinue any listing found to be in violation of the foregoing regulations.
4. Directory listings must conform to the Telephone Company's specifications with respect to its directories.
  - a. The length of any listing is limited by the use of abbreviations, when in the opinion of the Telephone Company, the clearness of the listing and the identification of the listed party is not impaired thereby.
  - b. In connection with nonresidence service, a descriptive term characterizing the listed party's business or purpose in a general way, is furnished (in abbreviated form) as a part of the listing, when desired. When the character of the listed party's business or purpose is apparent from the name under which it is conducted, a designation is unnecessary and is not furnished. (T)

Listings are not furnished when the representation is nominal or incidental and the party to be listed essentially is a patron, client or tenant of the customer. The furnishing of answering, secretarial or similar services is not considered to be representation. See Section 12 of this tariff for regulations governing joint user service.

J. NON-LIST SERVICE

1. General

- a. Non-List Service is a directory listing option available to residence and nonresidence customers who choose to exclude their name, address, and telephone number from appearing in the Telephone Company's alphabetical directories. However, their name, address, and telephone number will appear in the Directory Assistance information database and will be furnished to the calling party when requested through Directory Assistance.
- b. When calling the Universal Emergency Number Service (911), a customer forfeits the privacy afforded by Non-List Service to the extent that the name, address and telephone number associated with the originating station is furnished to the Public Safety Answering Point on a call-by-call basis for the purpose of responding to emergency calls.

2. Regulations

- a. The acceptance by the Company of the customer's request to refrain from publishing the customer's name, address and telephone number in the directory does not create any relationship or obligation, direct or indirect, to any person other than the customer.
- b. In the absence of gross negligence or willful misconduct, no liability for damages arising from publishing the name, address or telephone number of a Non-List Service subscriber in the directory will attach to the Company, and where such name, address, and telephone number are published in the directory, the Company's liability will be limited to and satisfied by a refund of any monthly charges which the Company may have made under paragraph J.3. following for Non-List service. For additional liability information, see Section 2, paragraph 8.3.
- b. The customer indemnifies and saves the Telephone Company harmless against any and all claims for damages caused or claimed to have been caused, directly or indirectly, by the publication of the name, address and telephone number of a Non-List Service subscriber.
